6. EXPENDITURE PROFILE - PROJECT BUDGET

- 6.1 The PEACE IV or INTERREG VA Grant for the Project is allocated from the European Regional Development Fund and in some cases co-financed by the UK and Irish Governments. The offer of Grant for the Project is **up to the maximum amount** as stated in the Letter of Offer. For the avoidance of doubt the Grant figure specified in the Letter of Offer constitutes the maximum amount of funding which may be made available for the Project however SEUPB provide no guarantee that this maximum amount will be provided during the Project Lifetime. It is recognised and agreed that the provision of Grant to the Lead Partner is subject to the terms and conditions set out in the Grant Contract, including but not limited to the provisions related to Eligible Costs. SEUPB shall have no liability to any person in respect of any loss which may be attributable to failure to provide the maximum amount of Grant to the Lead Partner.
- 6.2 The Budget must be strictly adhered to. Therefore, before accepting the Letter of Offer the Lead Partner must ensure that the Budget agrees with their understanding of the financial breakdowns and Budget originally proposed as a result of any amendments made during the assessment process. Any Budget overruns shall be borne by the Lead Partner and cannot be met by SEUPB.
- 6.3 Grant is allocated on a calendar year basis. The Lead Partner shall implement the Project in accordance with the calendar year expenditure profile of the Budget

as set out in the Letter of Offer. This will require that claims for that year are submitted in advance of 31st October of the given year.

- 6.4 SEUPB shall have no liability to any person in respect of any loss attributable to any delay in the payment of claims or as the result of any suspension, reduction or cancellation of financial assistance by the European Commission or national funding providers **or in the event of Force Majeure**.

7. OTHER SOURCES OF FUNDING

- 7.1 Assistance from the Grant cannot result in over-financing of the Project. Double funding of Project costs is not permitted. If other sources of funding have or may become available for the Project, the Lead Partner shall immediately notify SEUPB in writing of this fact or possibility and SEUPB shall on written notice to the Lead Partner be entitled to cease or suspend further payments of Grant, reduce the amount of Grant payable, or recoup all or any part of the Grant already paid. The Lead Partner will be required to declare to SEUPB the other funding available to the Project annually and SEUPB reserve the right to request evidence of the other funding.
- 7.2 If the Lead Partner fails to notify SEUPB as required under condition 7.1 SEUPB on becoming aware that other sources of funding have or may become available for the Project, shall, on written notice to the Lead Partner, be entitled to cease or suspend further payments of Grant, reduce the amount of Grant payable, or recoup all or any part of the amount of Grant already paid.

Any significant proposed or anticipated changes to the Project must be notified in writing by the Lead Partner's Senior Responsible Officer to SEUPB as soon as they are contemplated. This request shall set out the reasons why the Lead Partner and/or Project Partner believes a revised project should be funded by the Programme, and should demonstrate how the revised project can continue to offer added value and meet its intended results and outputs. SEUPB shall not be obliged to agree to any revision of the Project, and any continuation of assistance will be subject to the written approval of SEUPB and the formal amendment of the Letter of Offer. SEUPB does not have authority to increase the amount of Grant to the original or any revised Project.
- 8.2 Details of any significant changes and SEUPB approval must be reported in the final claim giving:
- details of the change;
 - the reasons for the change;
 - details of how the Project still met its objectives; and
 - the reasons why the Project still merits Programme funding.
- 8.3 Claims submitted that differ significantly from the original approved application without prior notification and approval, may result in the full assistance given

under the Letter of Offer being deemed invalid in which case SEUPB shall be entitled to recoup all or any part of the amount of Grant already paid.

- 8.4 Examples of significant issues that must be notified and approved include:
- changes to the start or end date of the Project;
 - changes to the content of the Project from that set out in the original approved application, eg. changing the scope, delivery or aim;

- to require that activity on all or part of the Project should cease pending an investigation;

Mark up percentages and other notional or opportunity costs are not eligible for Grant.
- 9.1.2 The Lead Partner and the Project Partners shall maintain a full audit trail and all necessary associated accounting records to enable full verification of expenditure and/or verification of the delivery of agreed outputs and unit costs. 9.2 ELIGIBILITY OF EXPENDITURE

- 9.2.1 **Eligible expenditure must be based on real costs, be proportionate, represent value for money and be directly related to Project activity, unless a simplified cost option is being used and has been agreed with SEUPB.**
- 9.2.2 Value for money should be a key driver irrespective of the approved Budget and the Lead Partner is responsible for ensuring the value for money is achieved in all public expenditure.

- 9.5.1 The Lead Partner shall open and maintain a separate bank account for the receipt and disbursement of Grant and, to ensure a clear audit trail, all monies received

- 9.5.2 A Lead Partner which is involved in the delivery of multiple Projects may wish to utilise a financial system using cost centres rather than separate bank accounts. In such cases the Lead Partner may request permission from SEUPB to retain this system for the purposes of managing the Project, and subject to the Lead Partner being able to satisfy SEUPB that its system guarantees a clear audit trail with regard to all aspects of the Project's finances, SEUPB may (but shall not be obliged to) grant the permission sought. SEUPB may at any time revoke this permission by written notice to the Lead Partner, and the Lead Partner shall immediately take steps to comply with its obligation under clause 9.5.1.
