The Fermanagh and Omagh District Council Local Authority Plan will support a number of locally-based projects and initiatives that will promote positive relations between people from different communities and backgrounds.

The Action Plan will be focused on three key areas: Children & Young People; Shared Spaces & Services; and Building Positive Relations.

*“The Fermanagh and Omagh District Council area has a rich heritage in all areas of the arts and I am delighted that you, as the next generation, have been afforded the opportunity to embrace that heritage through the Creative Cafes programme. I would like to thank FOCUS which has been delivering the Creative Cafés programme on behalf of the Council. Your work is greatly appreciated. From looking at the exhibition, the fun filled workshops have obviously been a tremendous success.”*

*“I would like to offer my congratulations to all the clubs who have expressed an interest in participating in the PEACE IV cross-community Twinning Programme for Sporting Clubs. I am confident this programme will have a lasting and positive impact in terms of supporting peace-building and cross-community interaction across a range of sporting activities. It will help build positive relations through sport networking opportunities where members of all sides of the community will be encouraged to attend. The networking opportunities will enable interaction and encourage respect for cultural diversity.”*
