The Monaghan County Council Local Authority Action Plan will support a number of locally-based projects and initiatives that will promote positive relations between people from different communities and backgrounds.

The Action Plan will be focused on three key areas: Children & Young People; Shared Spaces & Services; and Building Positive Relations.

“The Monaghan LCDC Local Peace IV Action Plan has been successful in engaging individuals to challenge perceptions and beliefs. New relationships have been built and friendships have been made. This has been a real opportunity to deliver action on the ground in our communities where it matters the most.”

Patricia Monahan, Chair of Peace IV Partnership Board
